Flirt & Flutter

Handcrafted Jewelry

“Your handcrafted jewelry is just as special to me as the memory you want it to commemorate.”

~ Kaleen Wolfe, Founder

Flirt & Flutter uses only the finest molding products to capture every detail. We pride ourselves on being an eco-friendly company. Our molds are made of non-toxic materials, our packaging is biodegradable, and we use only recycled silver to create your personalized piece.

Our creation process, like your jewelry, is unique. Because each piece is custom handcrafted, please see our website for current delivery estimates.

If you have any questions, please contact us for a prompt reply.
